

Gourmet

Gourmet is a recommended formula from the age of 1. At that age, a dog is considered an adult, a milestone that marks new needs that have to be met by adequate nutrition. This formula fulfills the needs of average to highly energetic dogs, as well as those that spend lots of time outdoors.

Healthy skin and shiny coat Contains chicken fats and flax seeds.

Complete and balanced Chicken based protein, contains vitamins A, B, D, E and K, as well as a full range of minerals that include calcium, potassium and phosphorus.

Healthy immune system Contains chicory, yeast extract, prebiotics and antioxidants such as vitamin E, tocopherols and organic acids.

Healthy bones Added glucosamin and chondroitin.

Dental health Contains fibers from beetroots, peas, alfalfa, and tomato pulp to help with cleaning teeth

Helps managing energy levels Added L-Carnatine.

Reduces stool odors Contains Yucca schidigera.

Garanteed analysis

- Crude protein min. 24%
- Crude fats min. 14%
- Crude fibers max. 4%
- Moisture max. 10%

Glucosamin sulfate

500 mg/kg

Chondroitin sulfate

250 mg/kg

QUANTITÉ QUOTIDIENNE	
Weight (pounds)	Quantity (cup)
3 to 12	3/8 to 1
12 to 20	1 to 1 3/8
20 to 35	1 3/8 to 2
35 to 50	2 to 2 3/4
50 to 75	2 3/4 to 3 2/3
